1	When will the additional ASB 3 Didik units be released?	The additional units will be released for subscription from 25 March 2026.
2	What does the subscription limit entail?	<p>From 25 March to 24 June 2026, unit holders are able to invest cumulatively up to 300,000 units in ASB 3 Didik, subject to the availability of units.</p> <p>The limit will be lifted on 25 June 2026, allowing unit holders to invest an unlimited amount, subject to the availability of units.</p>
3	If I currently hold more than 300,000 units in ASB 3 Didik, can I subscribe to the additional units?	Yes, regardless of your existing holdings in ASB 3 Didik, you may subscribe to the additional units, if units are still available.
4	How can I invest in the additional units?	You can invest digitally via the myASNB and agents' eChannel platforms. You may also subscribe over-the-counter at any ASNB and authorised agents' channels nationwide.
5	Are switch-ins allowed?	Switch-ins are temporarily disabled from 25 March to 24 June 2026.

7	Would transfers affect the temporary subscription limit?	No, transfers will not be counted toward your subscription limit.
8	If I withdraw my ASB 3 units during the subscription limit period, will it free up my limit for further subscriptions?	<p>No. The subscription limit is based on total subscriptions during the period. It does not reset with withdrawals.</p> <p>For example, if a unit holder subscribes to 300,000 units and later withdraws some units within the same period, the subscription limit is still considered fully utilised. Additional subscriptions can only be made in the next period, on 25 June 2026 onwards, subject to the availability of units.</p>
9	Why is there a limit, instead of allowing unlimited investment in ASB 3 Didik from the first day of release?	The subscription limit is implemented to encourage as many eligible investors as possible to participate in and benefit from ASB 3 Didik.

Note: ASNB reserves the right to change/uplift the limit or reinstate switch-in facility as and when deemed necessary.
